

# Day Pass

## *Survival Guide*

- Welcome in! As a Day Pass-er, you can work from all Desk Hop (hot desk) and breakout spaces across the 3rd and 4th floors. Get settled, get comfy, and let us know if you need anything.
- Ring Ring: you're more than welcome to take calls in The Canteen, just remember to pop those headphones in. Note the Desk Hop space (those long communal desks on the 3rd floor) is a call, group work, and meeting free zone. Gotta keep some spots quiet for laser focus, ya know?
- Need a place to take that Zoom? Hop into one of our cozy phone booths. No need to book - phone booths are first come, first served, and have a 2 hour limit (no hogging or back-to-backs here hehe). Day Pass-ers unfortunately do not have access to meeting rooms.
- Let's surf. Connect to our super speedy, password-free network called 'Working From\_ Guest'.
- Feeling peckish? Help yourself to snacks, drip coffee, tea and soft drinks in The Pantry. Or else hit up the 3rd floor Canteen for barista concoctions & sweet treats available for purchase.
- Here to help. For any questions or printing requests, drop a line to our team at [homehost.fultonmarket@workingfrom.com](mailto:homehost.fultonmarket@workingfrom.com) or head over to the Host Stand.
- Craving fresh air? If you need some time away from your desk, we've got day use lockers situated in the hallway by our 3rd floor restrooms. Set your own code, then off you go.
- Just in case. For fire safety information ask the WF team for deets or check out the signage next to the stairwell entrances.
- Up and down. You have open elevator access to the 3rd floor from 8:30am-4:30pm. To check out the 4th floor, just ask our host for a buzz up.
- Tagging a friend along? The more the merrier, but each guest must purchase their own day pass (each peep needs their own pass/bundle, cannot be shared).
- We hate to see you go, but when you do, please don't forget to check out at our Host Stand. See you next time!

You could get used to this, eh? Check out our [flexible membership options](#) and make this your daily routine. Just sayin'.
